Surface Mount Boxes

Surface mount boxes feature a sleek compact, easy-to-install design for housing UTP, shielded, fiber, video, and coax MAX® modules, Z-MAX® or TERA® outlets, which can be quickly installed into the base. The MX-SM Surface Mount Box accomodates flat MAX UTP outlets, while the Z-MAX Surface Mount Box should be used for Z-MAX, TERA, MAX LC and MAX A/V outlets. Multiple cable management features provide a high performance and well organized installation. Keystone Surface Mount Boxes compatible with MAX and Z-MAX keystone outlets are available.

Cable/Raceway Entry
Breakouts on three sides and bottom

Label Cover
Conceals screw for added security if desired

Compliant
Is compliant with UL2043 and is appropriate for use in air handling spaces

Snap-on Cover with Designation Areas
For colour-coded icons/tabs and write-on labels

Cable Management
Built-in cable management features ensure proper bend radius for copper or fiber

Cable Tie Anchor Points
Facilitates strain relief for cable

Bezels Included
Allows flat MAX, hybrid Z-MAX, TERA and keystone outlets and modules to secure in place.

Optional Spring-loaded Shutter Doors
Shutter doors offer added protection from dust and other contaminants

Optional Colors
Available in select colors such as black, white, ivory and light ivory. See color options in ordering information for each family of Surface Mount Boxes
